Submissions:

All submissions except classifieds should go to the Editor; classifieds should go to the classified department as shown above. The deadline to submit items for this newsletter is the 21st of each month for the next month's issue. We encourage every member to submit anything they feel might be of interest to club members. We will do our best to include all contributions within the limits of space, time, interest, and our abilities. All originals can be returned upon request, but a stamped, return envelope would be appreciated. We do hope that whatever you submit will be legible, but if we can read it, we'll fancy it up for you. If you have supporting photos, please submit them. Prints are best, but we'll do our best with anything. If you want to submit something electronically, we can accept submissions via e-mail to artd_net@verizon.net. Plain text files are best, but we'll try anything once. If you would like to reproduce anything in this newsletter for another publication, please contact the Editor. We ask only that you credit the author and this newsletter as the source.

Membership Renewal

Just another reminder that this is NET Membership renewal time so if you have not done so already please fill out the membership form and send your check to our treasurer, Rick Trowel. The form was included in the March newsletter. It is also available on the NET website (www.newenglandtriumphs.org). Rick asks that you please include an up-to-date email address so that we have a means to contact you for official club business. You can also opt to have your email address added to the club email list for general discussions and questions. Please note that we do not share your personal information with anyone.

NET Start Up Meeting -- March 28, 2010

Our annual start up meeting was held on March 28, 2010 at the 401 Tavern in Hampton, NH. There were a total of 16 club members in attendance, including two of our newest members Ray Boas and Tim Piper. The new owners of the 401 Tavern have converted the upstairs room into a cozy quiet dining area and wine bar which has reduced the seating capacity a bit so we were re-assigned to the downstairs bar area this year. Although the restaurant has discontinued its Sunday brunch, the management accommodated our group by offering a choice of three breakfast selections as well as the full lunch menu. After an enjoyable breakfast/lunch we kicked off the formal part of the meeting.

There will be a few changes to the club roles and responsibilities for 2010:

- Stan Foster will continue as club director for 2010
- Tom Walling will take over the Regalia Coordinator role to help us get organized around NET branded items and clothing.
- Matt Hogan will again organize our Day Of Triumph event but asked for a volunteer to work with him this year. Tim Piper, one of our new members, kindly volunteered and will be working closely with Matt this year to learn how to run this event. Thank you Tim!
- Art Ditto is stepping down from his post as newsletter editor. We want to thank Art for his work on the newsletter and hope that someone will please step forward and volunteer to take over this role so that Art can retire! If you would like to volunteer, please contact Stan Foster. Skills

required are some familiarity with Microsoft Word or Open Office and the ability to resize and crop digital photos.

- Other club roles will remain unchanged:
 - Rick Trowel – Treasurer
 - Debbie Christopher – Webmaster
 - Phil Brzozoski – Classified ads
 - Don Jenkins – Newsletter production and distribution
 - Bob Lang – Events and competition
 - Greg Elevich – IT support

We added several events to the 2010 calendar during the meeting.

- John Bowe will once again host a southern New Hampshire tour on Sunday April 25, probably starting at his shop in Derry, NH.
- On June 6 the annual “British By The Sea” event will be held in Waterford, CT. This has been a popular event for NET members at a great coastal location.
- Alex and Pam Delis offered to coordinate another Cape Ann tour on June 13. This is a very pretty area with great roads for Triumphs.
- The NET calendar would not be complete without a Lobster Tour and Tom Walling added Saturday Sept 11 to the calendar for the 2010 Lobster Tour.

Check out the calendar page of the NET web site (www.newenglandtriumphs.org) for more information about these and other events. There are links to reports and photos from some of our 2009 events so that you can see what we did at these events last year. We will update the calendar throughout the year as additional information becomes available.

TRF Summer Party – July 30 and 31st

The Roadster Factory will be hosting its summer party again this year. Some club members have expressed an interest in going as a group, driving down and back via a Triumph-friendly route taking two days each way. We would leave on Wednesday July 28th and return on Tuesday August 2nd. If you would like to join us for this event contact Stan Foster so you can be added to the email list for this event. The final details including the exact route are still to be determined. We are looking for volunteers to help plan the route and determine a good place to stop for the night along the way. A few people have already booked a room at the Hampton Inn in Indiana, PA for the event itself. A discount is available for AAA and AARP members. Contact Stan for details.

The TRF Summer party is a popular event and several NET members have been regular attendees. Tom Walling volunteered this assessment of the experience:

The activities change from year to year, but the Summer Party is a 3 day event which includes social and driving activities. There is a theme for the weekend (last year was an

African safari, another time it was James Bond, etc.) with some people dressing up for the outdoor dinner and also for the concours.

There is always an Auto-X (at the Jimmy Stewart airport no less), a couple of rallies - one a traditional TSD the other a "gimmick", a drag race, the concours (car show) in downtown Indiana, a driving tour of the area, etc. There are always lots of non-driving things to do as well such as a meeting of the "Red Hat Ladies", games for kids, a bed sheet "drive-in movie" and of course, access to the Roadster Factory and its parts during the day.

It's a good chance to get to know some of the folks you have spoken to over the phone too. Charles has said they are beginning to plan this year's party, so the details should be coming out soon.
