Day of Triumph – Sunday July 28, 2019

By Stan Foster

Day of Triumph is always the last Sunday in July and it is always hot. This year was no exception. My day starts at 7:30am with a somewhat harrowing one-hour drive in a TR6 down Rt 3, Rt 128 and Rt 9. People start arriving early for DOT, possibly to get there ahead of the traffic and the heat. We were parking cars before we had all the class markers in place. The event was well attended with 49 cars and a colorful display of TR6s to celebrate the 50th anniversary.

We always suggest if your Triumph will not make it to DOT, bring something else that people may find interesting. We have some classes for "Other British Cars" and "Special Interest". This year we had a Jaguar, MGB, a Datsun 2000 roadster as well as a fine selection of British motorcycles.

Day of Triumph would not be possible without our volunteers. We thank everyone for helping with registration, the raffle, T-shirt sales, and getting the field set up in the morning and squared away again at the end of the day. And thank you to everyone who attended!

Dennis Sokol Ice Cream Run and Cancer Society Benefit – Aug 3, 2019

By Stan Foster

Ellen and Ned Sparrow again organized our second annual event to honor our friend Dennis Sokol. We started with lunch at Kimball Farm in Lancaster, MA followed by a scenic drive to Kimball Farm in Jaffrey, NH for ice cream. We also used this opportunity to raise money for the American Cancer Society.

We were joined by some members of the Cape Cod British Car Club where Dennis was also a long-time member. This photo from the event shows a record number of people in topaz colored shirts this year, standing behind “Topaz 6”, Dennis’ prized topaz TR6. Karen Sokol was accompanied by her son Jason who drove his dad’s TR6. (That’s Jason standing next to Karen in the other photo in this article.)

Despite an iffy forecast again this year, but fortunately without the tornado warnings we had last year, the day started out dry. The rain held off for the entire time that Ned and Ellen led us on a scenic tour up to Jaffrey until just after we all got our ice cream. We took shelter under Kimball’s awning and by the time we had finished, the sun was out for the drive home.

Thank you to Ned and Ellen for organizing this event again this year

and to everyone who joined us to honor Dennis and make our ACS benefit a success. I’ll let Ellen Sparrow summarize: *“The representative from the ACS, Nina Sabettini (Community Development Manager) came to my workplace to accept our donation today. She and her supervisor both thanked us for our generosity. I was very pleased and proud that we could give them such a nice sum. Perhaps we can say congrats to the club members in our next newsletter or in the website? Our donations totaled \$640.00!”*

NET Movie Night – Saturday August 24, 2019

By Stan Foster

Our drive-up movie night was a lot of fun as usual. John Bowe once again hosted the evening in his shop in Hampstead, NH. After making space in the shop, John B. and John Gibbs did a fine job decorating the shop with the NET banner and getting everything set up. We somehow managed to squeeze everyone in and close the door to keep the bugs out while we ate pizza and watched the movie.

This year's feature film was "Summer Holiday" starring Cliff Richard, Una Stubbs, and the Shadows. Filmed in 1963, the movie tells the often-puzzling story of a group of young people singing and dancing their way from London to Greece on a London double decker bus. Prior to movie night, I was asked what the movie was about, and I recall saying that it was semi-funny, semi-musical and I should have added very quirky.

Overall, it was another successful NET movie night, giving everyone a chance to catch up with one other and enjoy an evening watching a movie starring a very popular British icon. Thank you to John Bowe for hosting this event again this year.

Events Still to Come in 2019

We have a few events coming up in the next few weeks. Always check the club's online calendar for the most current information and last-minute changes:
